

On 15th September 2023, The Hindu Young World Newspaper announced an essay writing competition in the name of "Hop On Board"! Children were given six topics (My dream invention, Super hero stuff, Time turner, Change maker, Just say no and Dreamy BFFf). Our school students U. Sri Charan of class VII A has written the essay on the topic "My dream invention" and it was published on 10th November 2023 in The Young World as a part of Children's day.

Ideal companion

With my portable Electrical Tech Pet Kit, you can create your own pet. For example, you can download a template of a dragon and customise it to create your ideal animal

companion. The T-Pet kit can be used to educate kids about extinct or living species. It is also perfect to help reduce loneliness and expressing creativity. For those who are unable to have actual pets in their homes, this is the ideal option.
